### DINNERS FOR DALE:

As some of you may have already heard, Dale Bowen has been stricken by cancer once again. She has been undergoing Chemo treatments for the past few weeks. Several of her friends have come together to help the family through this tough time. The Gourmade Eatery can have customized meals with her various diet restriction (no spice, red sauce, or nuts to name a few) delivered to her home. The average price is \$18-\$22 per meal and feeds 4 to 6 people. So for around \$20 we can feed her family for 2 days. Meals for the next several months will be made up and delivered by volunteers. Her friends will continue to coordinate meals for as long as the donations will last.

If you are interested in making a donation or helping please contact:
