PERSONALLY:

Thank you all for the Babies 'R' Us gift card and especially all of your well-wishes for us and our new family. We are overwhelmed by your generosity... we bought something that I had considered a non-necessity, but know that it will get me through many sleepless nights – a beautiful glider and ottoman.

After being hospitalized for 3 weeks for preeclampsia, and after going into labor, we had the babies on Friday night 5/19 at 33+3 weeks. All three are doing very well in the NICU at Kaiser in Walnut Creek.

David Joseph Sanchez III, "Tres", born at 3 lbs. 15.8 oz., Ava Kiper Sanchez, born at 5 lbs. 4 oz., and Sophia Kiper Sanchez, born at 3 lbs. 5 oz., are all breathing completely on their own, are maintaining their body temperatures, learning how to eat from a bottle and gaining weight. They are all very healthy and alert.

We are so blessed that they are doing so well and they are in such great hands at Kaiser. We are hoping to have at least two of them home by mid-June.

Thank you for all of your thoughts, prayers and support.

Love to all, *Cristin & David Sanchez*
