BROCHURES:

We have new brochures! Please take as many as you want at the next meeting. Since we have some new members, we will be reprinting again soon.

VALUE:

Mark Rogers of Keystone Security sees value in his membership in the Tri-Valley Executives in three ways:

1. as we do business and refer business to other members, we know that there will be good service that is usually above and beyond
 2. all being salespeople, we are able to "sell" each other's business
 3. we develop long-term relationships
