**EXECUTIVE OF THE YEAR:**

Congratulations, **Joey Minahan** of The Door Doctor for being elected by your fellow members as the 2014-2015 Executive of the Year! It comes as no surprise to the rest of the group, who have undoubtedly been touched in one way or another by her wisdom, insight and excellent listening skills.

**OUR NEW PRESIDENT:**

As **Thomas Tong** of Thomas Watch repair prepared to take the reins, he thanked out-going president **Sheri Facciolla** of Patriot Pest Management, whose dedication to the TVEA has been an inspiration to him and surely to many others in the group.

Thomas first joined the TVEA to expand his business, but soon learned that this was a group of friends that happened to refer business to one another. To him the group became a support system for business owners. When he was nominated to the Board of Directors, he was able further take what he learned and apply it to running his own business.

His vision for this year is not only to continue to learn more about each other and their businesses, but to expand the TVEA to include other professionals that are just as passionate about their companies.
