GETTING TO KNOW YOU:

Keith Westphal of Westphal Plumbing has been in business for himself for 1 year today! His recent claim to fame is living across from a house that will be featured in an upcoming Holiday Lights contest television show. Call Keith for a visit or drive by 685 E. Jack London Blvd. in Livermore 510-825-3746.

James Sievers of Pleasanton Family Chiropractic is a referee in competitive soccer. His family is also known as the guides for the local Christmas lights tour, taking each new family that joins their neighborhood to see the houses with the best lights. His tip of the week for good spine health is shopping: shop the perimeter of the

grocery store and avoid the center aisles if at all possible. The perimeter is where you will find all of your whole foods with minimal or no processing, which are the only foods that we should be putting in our bodies.

Ray Lasala has a business in Morocco. He and a business partner are taking a product to market there that has just been endorsed by the largest insurance company and #1 petroleum companies in Morocco. It is a device that monitors behavior of drivers in a place where good drivers are little to none. You can check it out: www.stg.ma.
