

FEBRUARY 17, 2005

NEXT WEEK:

The next meeting of the Tri-Valley Executives will be held at **Vic's All-Star Kitchen** in Downtown Pleasanton on February 24.

Greeters will be **Randy Blair** of K&B Landscape Services and **Caesar Alvistur** of Five Star Building Maintenance.

The Classification will be given by **Dr. Barry Winston** of Amador Valley Optometry.

THANKS:

Thank you, Pam Meyer and Design Works LTD for hosting the Road Show!

And thank you to all those who attended. There was a great turn-out, the food was delicious and the venue was superb, all the makings of a successful open house.

If you'd like the same opportunity to showcase your business, please call Cristin to schedule a date for later in the year.

PERSONALLY:

David and I had a fantastic time in Maui – it was great to be wearing tank-tops and flip-flops in the middle of February!

I now feel more ready than ever to take on the new challenges and opportunities that have been presented to me.

As of March 1, I will start working with Hometown GMAC as a Realtor, something I've always wanted to do. I'd like to thank Mike Peel for giving me this opportunity – he's got a great company with an amazing support system that will no doubt contribute greatly to my success.

A very good friend of mine, Rick Loupe, the President of Valley Community Bank has graciously allowed me to maintain a presence at the Bank as an independent contractor, fulfilling the duties of the Corporate Secretary while working from my home office. Since I helped organize the Bank seven years ago, I feel a deep commitment to its success and I'll probably never be able to completely give it up.

Finally, thank you all for the continued opportunity to work with each of you at the Tri-Valley Executives' Association; I've had a great time and look forward to many more.

Warm wishes,
Cristin
