JULY 7, 2005

NEXT WEEK:

The next meeting will be held at Vic's on Thursday, **July 14.**

Greeters will be **Jon Gresham** of Lee & Associates Commercial Real Estate and **Cesar Alvistur** of Five Star Building Maintenance.

The Value will be given by **Gary Chang** of Tri-Valley Internet.

There won't be a Classification this week; instead we will be meeting with our **"Power Partners"**.

VALUE:

Dr. Rick Hume has had an interesting couple of years with a lot of stresses. The way that he has gotten through it and stayed healthy has been by putting life into perspective and having the support of not only friends and family, but of this group, the Tri-Valley Executives' Association. He has been a member for 10 years and early on would not have seen the value of the personal aspect. So, those thinking that this is "just a leads group" would be wrong; it's so much more.

"POWER PARTNERS" (REVISED):

Make sure you're there on July 14, so that your "Power Partner" doesn't have to sit alone!
