AUGUST 4, 2005

NEXT WEEK:

On August 11, we will be taking a **Road Show to Residential Pacific Mortgage** to see Darlene Crane's new office.

Residential Pacific Mortgage
30 W. Neal Street #105
Pleasanton CA
7:00am

(In the Historic Railroad Station in Downtown Pleasanton adjacent to Senro Sushi, across from Meadowlark Dairy).

VALUE:

His position at Accurate Impression is the first private sector job that Mike Doeschot has had. Needless to say, government jobs don't give a person the experience needed to run their own business. Mike values the Tri-Valley Executives because of what he has learned and continues to learn from members, who many times act as a sounding board, helping him to better run his business.

SOCIAL EVENTS:

The **WINE TOUR** to the Napa Valley has been scheduled for Sunday, **October 16**. It should be a fun day! There are only 35 seats so book now and avoid the chance of not being able to go. A deposit at time of sign ups will be required. Marilyn Lewis will have a sign-up sheet along with cost info at the next meeting.

Social Committee Chairwoman, Marilyn Lewis is also looking for volunteers to host the Christmas Party at their house on Thursday, December 1. Please let Marilyn know as soon as possible if you'd be willing to host.

ATTENDANCE:

For some of us, the value of attending meetings is implicit; others may need reminding that they are a valuable part of the organization and that they are missed.

Section 6.12 of By-Laws of the TVEA state:
“*Attendance:* It is the duty of every Member to be represented at all regular meetings of the Association. The failure of any Member to be represented by its Active or Associate Representative at any three (3) consecutive meetings or at a minimum of seventy-five percent (75%) of the weekly meetings during a calendar quarter, may be cause for expulsion.”

The energy of the Members is what makes each of us get up early every Thursday morning and it wouldn't be the same if you weren't there.

In the meeting this week we talked about taking ownership of the group. It's not enough to just pay your quarterly dues; you should take pride in being a participating member. There are other executives who would like to get into this group; the TVEA is not an obligation, it's a privilege.
