**DID YOU GIVE A REFERRAL THIS WEEK?**

---

**LEAD CHALLENGE:**

Good job, **Dave Silva** of Silmar Flooring, in keeping your end of the bargain in the lead challenge!

Our next challengers will face-off on April 10<sup>th</sup>: **Jason Cooke** of Herrmann Financial will find a lead for **Dan Brown** of Onstad's Insurance.

---

**FAREWELL:**

**Ron Robinson** has at long last, decided to retire. He and his wife plan to travel in their motor home in search of a new place to call home,

somewhere near a river or lake and definitely a golf course close by. We will miss Ron and welcome him to visit anytime, especially during the annual TVEA golf tournament!

This, sadly, leaves the classification of Payroll Service open. If you know of someone in this category, please invite them for a free breakfast.

---

**GUEST:**

Another big thanks to **Mike Wallace** for bringing his guest, Jim's Electric to the meeting last week.

Do you know a business owner that would benefit, as you have, from membership in TVEA? Invite them to a complimentary breakfast!

**TIPS:**

- To securely get rid of your damaged hard-drive, smash it with a hammer and take it to a recycle facility; or see **Lawrence Ling** who will do it for you.

- To see if a sprinkler is leaking, watch the water meter and isolate units (toilets, etc. in the house, then sprinklers) until the meter stops running. See **Allen Eddy** or **Larry Smario**.

- If you're upside down in your mortgage, there are many factors to consider when qualifying for a refinance – See **Darlene Crane-Peel**.
