**DID YOU GIVE A REFERRAL THIS WEEK?**

---

**DID YOU KNOW?:**

- Dr. Rick Hume is the backstage sports-medicine therapist for the TV show "So You Think You Can Dance" when they come to San Francisco.

- Dave Sanchez of B&S Hacienda Auto Body does bras... they can install a nearly invisible plastic over the front of the hood of your car to prevent rock chips.

- USANA Health Sciences won its 6<sup>th</sup> title as best supplement in Utah.

- David Sanchez of Hacienda Auto Glass also does spray-on bed liners.

- If someone dies with a trust, they still have to go through trust administration, which Beverly Hoey does; and unless you have an advanced health care directive, your spouse cannot make medical decisions on your behalf.

- Dr. Endre Selmeczy can now test for different kinds of cancer using a sample of your saliva.

- QES Computers can remotely monitor your computer system and they also offer beta storage.

- Cal Coast Plumbing can do water audits to make sure you have no leaks.
