"Let nothing that happens today or has happened in the past guide your future". – *Norman Vincent Peale*

For **Joey Minahan** of the Door Doctor the Value of the Association is the ongoing education that she gets from fellow members - kind of like her "community" college.

ANOTHER THOUGHT FOR THE DAY:

FROM JAN BATCHELLER

"Don't let the bastards get you down". (It sounded much prettier in Latin ☺)

CLASSIFICATION:

At **Cal Coast Plumbing**, they understand that nobody *wants* to call the plumber. So they have tried to make the process as painless and reassuring as possible. Aaron Eddy of Cal Coast Plumbing announced their new residential customer program that will make it possible for clients to walk away with a feeling or impression of relief and safety or security.

Their biggest challenge to overcome is the customer's fear of being "ripped off". Cal Coast Plumbing now offers straight forward pricing. Every technician has the same pricing guide in their vehicle, guaranteeing one flat price for each job. Whether the job took the

scheduled one hour or 6 hours, you are only paying the contracted job price. That's a relief for the customer.

All technicians have been drug tested and background-checked, and are certified to do the job they have been sent to do. They don't use any subcontractors. That's security for the customer.

All work is backed by a 100% satisfaction guarantee. Knowing that the job has been done right and if not, they will take care of it. That's safety for the customer.

Cal Coast Plumbing's newest program is the Diamond Club Membership. Every year, a Diamond Club member will receive a health and safety check, a "tune up" on their plumbing and always 20% off of basic repairs. The membership is \$9.95 monthly, which will build in your own personal account to be used against any work performed by Cal Coast. Diamond Club is only being offered to 22% of their clients and is well-worth the nominal monthly expense.

Cal Coast is owned by Allen Eddy who is an instructor of senior year students at a local plumbing school. They currently have 4 full-time certified technicians.

Refer or call Cal Coast for any plumbing repairs, replacements and upgrades or to sign up for the Diamond Club: 462-1090.
