TVEA's 50/50 raffle is up to **\$142.00**.

MEMBER NEWS:

USANA has an "easy to use" Health Assessment Plan. This plan will develop an individualized supplement recommendation based on your unique lifestyle and interests. It will take about 5 minutes.

Go to usana.com

On the bottom left, click on Innovative Products On the bottom left, click on Health Assessment - There will be a short video (less than 2 minutes) of Dr. Tim Wood (USANA's Chief Scientist) about health and USANA. You can then begin the assessment.

The assessment will ask questions about your age, weight, lifestyle, diet, etc... It will then ask you to identify your health interests and concerns.

You will then get an individualized product recommendation in 3 categories:

- (1) Optimal - ALL the products that would benefit you
- (2) Advanced - The basic products, PLUS key additional products.
- (3) Core - The basics for you

From here, USANA can create an individualized AM/PM packet with the products you want.

DID YOU GIVE A REFERRAL THIS WEEK?

ELECTIONS:

It's time to choose a new Board. It's an easy gig – get involved!

Our President-elect is **Mike Peel** of Hometown Real Estate. If you are interested in getting more involved or want to know more how the organization works, please contact Cristin.

Joey Minahan of the Door Doctor has been nominated and we'd like 2 more new nominees for elections in March.
