

DECEMBER 23, 2010

YEAR-END SCHEDULE:

12/30 – **No Meeting:** New Year

1/6 – **Regular Meeting** at Vic’s 7:00am: Discussion “Rework”.

BOOK: We will be discussing the ideas presented in the book **Rework** by Jason Frieod & David Hansson. The book presents itself as having new insights on business and what we do in our businesses day to day.

LONGEVITY:

It has been said many times over that the Value of the Tri-Valley Executives’ Association is the camaraderie. However, that camaraderie is not built overnight. While some people seem to have instant chemistry, most relationships take time to develop, both in business and in life.

The Tri-Valley Executives’ Association was formed 25 years ago and still has two charter members and many members that have been a part of the Association for over 20 years.

Many other networking groups lack longevity and are dwindling in numbers, unlike the TVEA. While we have a strong core membership, we are actively looking to expand our sphere of influence through new members.

One way that we would like to accomplish this is by “recruiting” members of other networking associations. If you are a member of another network, we’d like you to take a look at those members to see if there are any candidates that would fill one of the classification vacancies in the TVEA.

Every member of the TVEA should be proud to be a part of this group and in 2011 should be determined to make the Tri-Valley Executives’ Association **THE** networking group of which to have the **privilege** of becoming a member.
